DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3, 5, 8-13, 15-18, 20-22, 24-28, 30-39, 41-48, 50-52 are allowed.

2. The following is an examiner's statement of reasons for allowance:

Regarding Claims 33-39, 41-48 and 52, the primary reasons for allowance are stated in the previous Office Action dated 02/23/06.

Regarding Claim 1, the primary reasons for allowance is the inclusion of the limitation wherein said storage means stores said compressed data in said storage medium and said decompression means decompress selected compressed data, that can be different from said compressed inputted data, also stored in said storage medium.

Regarding Claim 8, the primary reasons for allowance is the inclusion of the limitation wherein said inputted data is compressed in a predetermined compression format and said converting means comprises second decompression means for decompressing said inputted compressed data and a compression means for compressing said decompressed data in another compression format.

Regarding Claim 13, the primary reasons for allowance is the inclusion of the limitation wherein said reading out means for reading out for reading out data stored in said storage medium therefrom at a predetermined reading out data rate, control means controls said storage means to write said processed data at a faster writing data rate than a predetermined reading out data rate.

Regarding Claim 18, the primary reasons for allowance is the inclusion of the limitation wherein said converting means comprises decompression means for

decompressing said inputted compression data and compression means for compressing said decompressed data into said data of said second compression format.

Regarding Claim 24, the primary reasons for allowance is the inclusion of the limitation wherein reading out means for reading out compression data stored in a storage medium, wherein said converting means converts said read out compression data of said first compression format to said converted data of said second compression format.

Regarding Claim 50, the primary reasons for allowance is the inclusion of the limitation wherein the reproduced data can be different data said output circuit data produced in the processing.

Regarding Claim 51, the primary reasons for allowance is the inclusion of the limitation wherein the reproduced data can be different data than said output data produced in the outputting.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
